

Non-State Pension Fund "Otkritie" expresses its gratitude to the team of Only for fruitful cooperation in implementing a special marketing project of the Fund.

With the participation of our colleagues from Only, 2 specialized landing webpages were developed for clients in the corporate style of the Fund. We would like to note the high professionalism and quality approach to work, as well as the ability to listen to the client, understand the needs of the target audience and find the best solutions in difficult situations.

We thank our colleagues for their quick response to all requests, including complex ones, easy communication, creative and at the same time rational approach to the tasks. In the future, we will gladly cooperate with the company on new projects.
